400 men is housed in these barracks. Approximately 30 T/34-85 tanks were observed partly garaged and partly parked in the yard. No other a.f.v.'s were noticed.

25X1

D. Hungarian Signal Barracks, CIGLID: February 1956

1. The barracks are situated approximately 1,100 metres S.E. from the outskirts of CIGLID on the road to TUSTEL, and cover an area of approximately 350 x 300 metres. They are marked (b) on the sketch at Appendix "C". They consist of approximately 8 buildings of various sizes and house a Hungarian Signals unit. Drums of telephone/telegraph wire and T/T wagons were observed in the yard.

B. Hungarian Tank Camp, CIGLID: February 1956

1. The camp is located on the road to TUSTEL approximately 1,700 metres S.W. from the outskirts of the town, and covers an area of approximately 230 x 400 metres surrounded by a barbed-wire fence. It is marked (c) on the sketch at Appendix "C". It consists of approximately eight 50 x 12 metre wooden huts and an H.Q. building on the opposite side of the road.

2. An armoured unit containing approximately 100 officers and 500 men was stationed in this camp. The unit was commanded (since October 1955) by Lt. Colonel DIOSZ Bela; political deputy was Lieutenant GABOR f.n.u.

3. The following equipment was observed:

(a) Approximately 30 T/34-85 tanks
